

Name: _____

CREATING A BIOPOEM

This is a great "formula" poem that helps the reader to get to know a person. This person can be someone from history, a character in a novel, or a modern day person. If you write about yourself, it's a neat way for people to get to know you. Sometimes, it helps YOU to know yourself even better!

BIOPOEM FORMAT

Line 1: First name

Line 2: one adjective to describe this person

Line 3: relationship (daughter, son, brother, sister) of _____

Line 4: lover of (name three things) _____

Line 5: who feels (name three things) _____

Line 6: who needs (name three things) _____ ~ _____

Line 7: who gives (name three things) _____ ~ _____

Line 8: who fears (name three things) _____

Line 9: who would like to see (name three things) _____

Line 10: resident of (city or place) _____

Line 11: Last name

(Remember, when filling in blanks, phrases are often more effective than single words.)
